

Concepts Discretionary Investments

SRI Balanced Portfolio

Portfolio Factsheet as at 30th April 2024

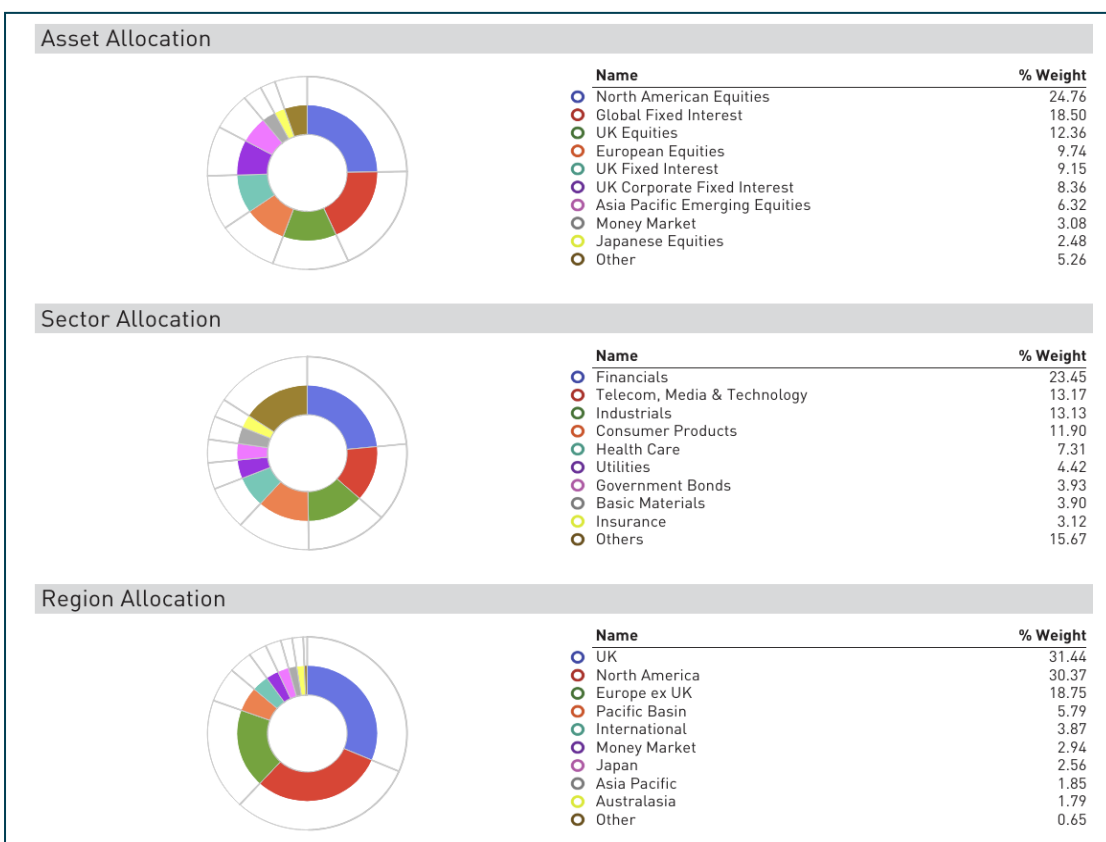

Objective: To provide a diversified exposure to Investment markets, by investing in a range of Active and Passive funds that aim, where possible, to meet the necessary Socially Responsible criteria. The portfolio will invest in a range of Global and UK Equities, Fixed Interest Securities and Infrastructure. The aim is to produce capital growth with modest levels of income.

Target Market: This portfolio is suitable for investors with a time horizon of 5 years or more who are willing to accept Low/Medium to Medium levels of investment risk in return for the potential for participation in rising investment markets. This fund is designed for investors who can afford more than a modest loss of their investment.

Key Information

Portfolio Yield: 2.65%
Inception Date: 27/10/2019
Total Expense Ratio: 0.47%
Management Charge: 0.20%
Benchmark: IA Mixed Investment
 20% to 60%

Portfolio performance represents client's portfolios which are periodically rebalanced. Performance has been simulated with performance prior to 27/10/2019 attained through backdating holdings at launch to the inception of these individual investments, and substituting where appropriate for indexes, to attain a longer performance history.

The value of underlying investments may fluctuate due to exchange rate changes between Sterling and the currencies in which underlying investments are denominated, as well as to risks associated with broader market conditions and events.

In addition to the charges noted above, individual funds may incur transactional costs.
